

# How to Safely Wear a Mask

## To put your mask on:

Wash or sanitize your hands for **at least 15 seconds**

Hold the mask **by the ear loops**

Put the mask on your face by securing the loops **around your ears**

Make sure the mask is **covering your nose and chin**

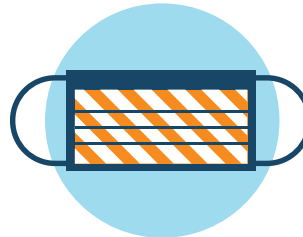

## Taking your mask off:

Wash or sanitize your hands for **at least 15 seconds**

Take the mask off, touching **only the ear loops**

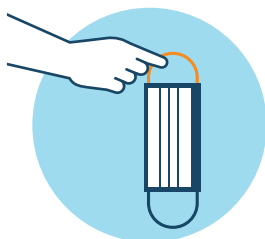

Place the mask on a **clean surface**, with the **inside of the mask facing up**

Wash or sanitize your hands for **at least 15 seconds**

## Reusing your mask:

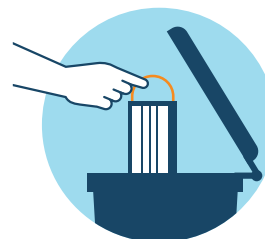

Pick up the mask, touching **only the ear loops**

Put the mask on, making sure it is **covering your nose and chin**

## Throwing out your mask:

When throwing the mask out, **touch only the ear loops** to place it in the garbage

Wash or sanitize your hands for **at least 15 seconds**
