## **TRILLIUM HEALTH PARTNERS ANNOUNCES NEW BOARD CHAIR**

(Mississauga, Ont.) - Trillium Health Partners is pleased to announce the appointment of Edward Sellers as the new Chair of the Board.

A senior partner at Osler, Hoskin and Harcourt, Mr. Sellers joined the Board of Trillium Health Centre in 2007 and since then has served as Board Secretary and on the committees overseeing Risk, Governance and Quality.

Mr. Sellers' community leadership includes serving on the University of Winnipeg Board of Regents and the University of Manitoba Senate. He was also director and executive committee member of the Canadian Youth Business Foundation, and a director of The St. Patrick's Benevolent Society of Toronto.

"I am delighted to be assuming this new role, on behalf of our community," said Mr. Sellers. "Trillium Health Partners is at the forefront of delivering a *new kind of health care* for its patients and families. We are working closely with all our community partners to offer our patients an exceptional experience, with the right care, in the right place, at the right time. Meeting the needs of a growing and aging population will be our collective challenge in the years ahead, but I am confident that we have both the team and the plan to deliver results for our community."

Former Board Chair Alan Torrie has completed his term as Chair but will continue on as a member of the Board of Directors. The hospital thanks Mr. Torrie for his contributions and dedication over the past four years.

"In my time as Chair of the Board, I've worked closely with Edward on many initiatives and found his commitment and dedication inspiring," said Mr. Torrie. "As I step down from my role as Chair, I hold great optimism for the future of this hospital. I know that Edward will provide exceptional leadership to Trillium Health Partners as the Board continues to represent the changing needs of our community."

The Board is also pleased to welcome Alan MacGibbon. Mr. MacGibbon is the former Managing Partner and Chief Executive of Deloitte LLP and has had a distinguished 35-year career as a Chartered Accountant. His community involvement is equally extensive, serving on such boards as the Conference Board of Canada, the United Way of Greater Toronto, and the Learning Partnership.

The hospital is also extending deep gratitude to Joanne Rogers, who is retiring from the board after 12 years of service. Ms. Rogers was Chair of the Credit Valley Hospital Board at the time the decision was made to pursue an integration. Her leadership was instrumental in the establishment of Trillium Health Partners.

**About Trillium Health Partners:**

Trillium Health Partners is one of the largest community-based academically affiliated acute care facilities in Canada, serving the growing and diverse populations of Mississauga, West Toronto and surrounding communities.
